Happy holidays Bicky and JoAnn,

Just a note to let you know that the Native Village of Tyonek was granted its request to have a government-to-government consultation with Col. Lestochi to discuss the Tribe's request for dispute resolution on the issues of : 1) accessing information from the subcommittees in a timely fashion for the purpose of submitting technical comments on methodologies in the SEIS; 2) retaining scientific experts to examine and give comment on the various draft reports.

I hope each of you had a restful and warm Christmas.

Best regards,

Heather Kendall
